Imran Asif

Web & Desktop Developer

EXPERIENCE

Project Manager

(2014 – 2018)

SLAMSLOGIC

I worked as a *Project Manager* at Slams Logic, building different products related to the real estate, Medical lab desk, Logistics Inventory products for government projects. These product development give me a strong insight into managerial activities, which are necessary to make momentum in a team.

SOFTWARE ENGINEER

(2012 – 2014)

FAST-NUCES

I joined this organization during my research work as *Software Engineer*, and I am still employed there. My responsibilities are supporting the team and working as a team member to develop different software dedicated to the organization. I developed many applications in NeON like Fee Management, Email system, Employee Management System, Time Table System and many more.

SOFTWARE ENGINEER

(2009 – 2011)

DeltaSoft

I joined this organization as *Software Developer* during my bachelor degree. This job helped me develop my analytical skills by resolving different problems and also help me to develop big, multilevel projects from scratch and helped me work as a team member.

FREELANCER

(2012 –

Present)

I am an expert freelance developer in all fields.

EDUCATION

PhD in Computer Science

(2018 –

Present)

Heriot-Watt University, Edinburgh, UK

MPhil in Computer Science

(2011 – 2014)

Quaid I Azam University, Islamabad, Pakistan

I got 78.5 % and 3.80 CGPA.

Bachelor in Computer Science

(2006 – 2010)

PMAS Arid Agriculture, Rawalpindi, Pakistan

I got 82.4% and 3.80 CGPA.
